Stone Ave., 5th floor, or mail to City Of Tucson, ParkWise TEAM, P.O. box 27210, Tucson, AZ 85726-7210. Your permit will be mailed to you as soon as they become available.

Permits will be issued on a first come first served basis. The permits are priced according to the zone that the permit is located within. Zone 1 permits cost \$400.00 each, Zone 2 permits cost \$300.00 each and Zone 3 permits cost \$200.00 each. Our annual permits are valid from either December through December or June through June of the following year. For an additional \$100.00 you may purchase a transferable hanging tag option. This permit is affixed to a hanging tag and allows the permit to be used on different vehicles (all vehicles for which the tag will be used must listed on your application). Payments are to be made in full at the time of purchase. Payments can be made by check, MasterCard, Visa, and Discover. If you are paying by check please make your check payable to the City Of Tucson. There is a \$28.00 fee for any returned checks.

The permits are block face specific and must only be used on the block for which it is issued. Failure to do so could result in a parking citation. ParkWise Traffic Enforcement Agents are responsible for the program administration and enforcement. They will be visible as they monitor the restricted parking program areas designated by reserved parking signs. Parking is restricted to the vehicles with a current and properly displayed permit during the hours indicated on the signs.
